Starting on February 2nd, 2017, the call for presentation of scientific communications (posters) on research on psychosocial and healthcare related projects is open, in which researchers can participate. Those interested in participating in this call must send an email enclosing the poster’s ABSTRACT to the email address sociosanitaria@alzheimersummitlisbon2017.com including the following text in the subject of the message: "POSTER ABSTRACT".

The abstract should have a maximum of 350 words, and must include the following information:

- Name and surname of the corresponding author
- Town/City and zip code
- Country
- ID card / Identification number
- Contact telephone number
- Contact email
- Profession
- Affiliation
- Author(s) with the respective title, affiliation and position

ABSTRACT DEADLINE

The deadline for submission of abstracts is July 9th, 2017. Papers received after this date, or that do not follow the rules described above will not be accepted.
SELECTION PROCESS

The Scientific Committee will analyse all submitted abstracts and will select the posters to be exhibited during the International Symposium Advances in Social and Healthcare research in Alzheimer's disease and other dementias (ALZHEIMER'S GLOBAL SUMMIT LISBON 2017). The decision of the Committee will be notified to the authors of the selected posters before July 22nd, 2017.

SELECTED PROJECTS

The authors of selected posters must print POSTERS (100 cm tall X 65 cm wide) and place them in the locations indicated by the organization during the meeting.

REQUIRED POSTER CHARACTERISTICS

The following are the required characteristics of the submitted papers:

Structure:

- Title
- Authors and affiliation
- Introduction or synopsis
- Materials and methods
- Results
- Conclusions
- References

Content:

To facilitate the reading of the poster, the following is recommended:

- Minimum of 150 pixels per inch
- Minimum resolution: 1500 pixels tall (all posters should have vertical orientation)
- File Format: PDF (if necessary high quality JPG).
- Minimum font size: 20 pts. The font type should allow for reading at a distance of 1.5 meters.
- Printed poster size: 100 cm tall x 65 cm wide.
- In the upper part of the poster include, in the following order: title, authors and affiliations (indicating the corresponding author and underlining the name of the person responsible for poster presentation).
- All types of graphics can be used. It is recommended to use a code of colours, labels or numbers that may guide the correct sequence of reading.

ORAL PRESENTATION

Among the selected posters, the Scientific Committee will choose 3 posters that are considered of greater relevance to be presented orally at the International Symposium Advances in Social and Healthcare research in Alzheimer's disease and other dementias (ALZHEIMER'S GLOBAL SUMMIT
LISBON 2017). Authors will be informed of the decision of the Scientific Committee before July 22, 2017. The organization will cover travel expenses, one night accommodation and additional support for the author presenting the selected posters.

RULES FOR PARTICIPATION

1. All submitted work must be original. The poster may not have been presented at a previous congress or other meeting, nor published in national or international journals, prior to the date of the ALZHEIMER’S GLOBAL SUMMIT LISBON 2017.
2. The content of the communications must be related to the professional exercise of social and health care for people with dementia, in line with the contents of ALZHEIMER’S GLOBAL SUMMIT LISBON 2017.
3. Communications should preferably be submitted in English.
4. Submissions should be no later than July 9, 2017.
5. Accepted papers will be notified before July 22, 2017.
6. The unique modality to submit a poster will be through the email sociosanitaria@alzheimersummitlisbon2017.com with the subject "POSTER ABSTRACT".
7. Once the communication is submitted, it will be considered final. Later modifications, or the incorporation of new data is not allowed.
8. The authors will record their surnames followed by the initials of their name (e.g. Sánchez Martínez, A).
9. The title must be written in capital letters, with no abbreviations.
10. The abstract should be structured as follows: objectives, material and methods, results and conclusions.
11. All correspondence from the Scientific Committee will be addressed to the corresponding author, who will be informed of the acceptance or rejection of their project, preferably by email. It will be mandatory to provide the email and mobile phone number of the corresponding author.
12. If authors wish to retract a communication that was previously submitted and accepted, they should inform the Organization by email to sociosanitaria@alzheimersummitlisbon2017.com.
13. The authors submitting the project are responsible for respecting the ethical requirements in clinical research or animal experimentation, as well as aspects related to the protection of personal data.
14. The Scientific Committee will decide regarding the submissions selected for oral presentation.
15. Submission of a poster implies acceptance of these rules.

16. Works received outside the deadline or that they do not follow these rules will not be accepted.

17. Sending the poster implies the author’s consent for publication.

18. Posters with commercial or advertising content will not be accepted.

19. The Organization reserves the right to disqualify any presented poster that does not meet the conditions and rules described here.

20. The organization guarantees full and complete compliance with the obligations established by the Spanish Law (Organic Law 15/1999, of December 13, on the Protection of Personal Data, as well the Development Regulation approved by Royal Decree 1720/2007 of 21 of December and other applicable regulations).
